

THE EXPERIENCE

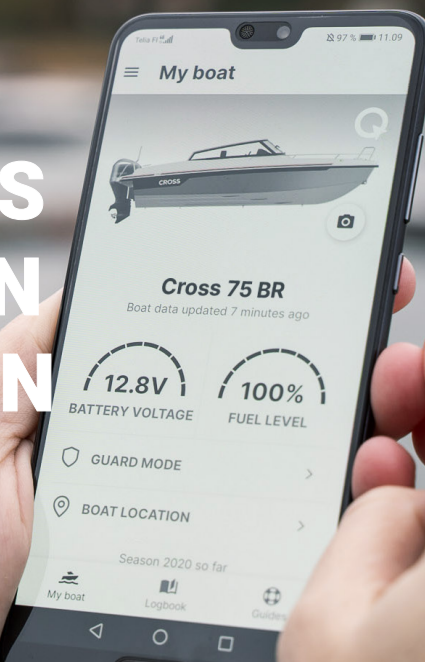

NAVIGATION IN A SMARTER WAY

Introducing the Q Display 2 Series.

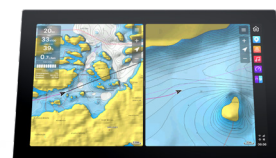

The 2nd generation of The Q Experience. Control your whole boat with one screen. Making navigation easier and smarter for all.

Q DISPLAY 2 SERIES - THE NEXT STEP IN SMART NAVIGATION

A COMPREHENSIVE INFOTAINMENT SYSTEM FOR YOUR BOAT

THREE DISPLAY SIZES

The Q Display 2 Series product family includes three plotter sizes: 210, 216, & 210D.

ENHANCED Q MOBILE APP

All the boating info in your pocket 24/7. Including boat guard and remote heating.

CUSTOMIZABLE VIEWS

All the Q Display 2 Series plotters are customizable to your liking with split views and adjustable viewpoints.

ANTITHEFT BOAT ALARM

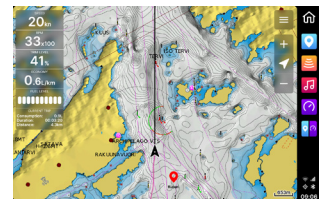

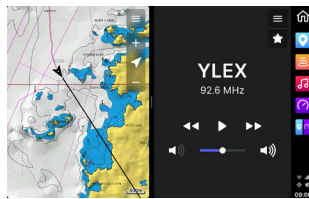

Keep your boat safe on the water, and in the docks. Be alerted on your phone when your boat is in danger.

MAKING NAVIGATION EASIER FOR ALL

- ✓ **All-in-one.** Navigation, entertainment, boat controls and more.
- ✓ **Branded for manufacturers.** Q Displays and Q mobile app are uniquely personalized for each boat manufacturers own brand.
- ✓ **Built-in.** Factory installed and fully integrated to boat's own system.
- ✓ **Trusted Nordic design.** All of the Q Experience products are designed, tested and manufactured in harsh Nordic conditions.

CONTROL YOUR WHOLE BOAT WITH JUST ONE SCREEN
